FAMILY LIFE

“The living and lively family nest is the basis of future mental and moral health within society.”

James Hemming, Individual Morality

- In two's discuss members of your family
- Discuss the important aspects of family life

Although some families in our society are happy and closely knit, many are not. Today, there are even more pressures on family life.

- Discuss the issues that can cause tension in family life
- In pairs, discuss the following:
 - 1) Arguments in my home
 - 2) My parents don't understand me
 - 3) I'll bring my children up differently
