Information for Staff About External Examination Results Summer 2010

Provisional results for most qualifications are made available to the centre by EDI as follows:

GCE – Wednesday 18 August 2010

GCSE – Monday 23 August 2010

The results are issued on the strict understanding that the results files and their contents remain **entirely confidential** to the head of centre, examinations office staff and those teaching staff who, in

the opinion of the head of centre, need to be made aware of the information.

The results, or information derived from results, **must not** be divulged to or discussed with:

- other teachers;
- candidates or parents;
- educational institutions and Local Authorities;
- the press;
- any other persons;

prior to the official times and dates for the publication of results which are as follows:

GCE – 0600 on Thursday 19 August

GCSE – 0600 on Tuesday 24 August

Students can collect the A2 results from school on Thursday 19 August at 10.00 am and AS results at 10.30 am; GCSE results can be collected from school on Tuesday 24 August from 11.00 am.

Results are only given to the student themselves or to their representative if they have written permission from the candidate and proof of identity. Students can leave an A4 stamped self-addressed envelope with the Exams Officer if they want their results posted. No one can give out results over the telephone or by e-mail.

Awarding bodies will send printed copies of GCE results to arrive on Thursday 19 August but printed GCSE copies of results will not arrive until Thursday 26 August, so we will give students a copy from SIMs of their EDI results on Tuesday 24 August. Paper copies will be posted out on Thursday 26. (Please note that from November 2010 the Awarding Bodies will no longer send out paper results)

N.B. All results are issued on a provisional basis and may be subject to amendment through the EAR system.

Information for Staff about Enquiries about Results and Access to Scripts

All the Awarding Bodies offer a service known as **Enquiries about Results (EAR)** - the service is: to check the addition of a candidate's marks, for remarking of scripts or re-moderation of centre assessed coursework/controlled assessments. All services involve payment of a fee but for some services the fee is not charged if subject grades are changed.

Appeals are extensions of the process to examine the procedures that were used in arriving at the awarded marks. It is available to centres who remain dissatisfied after receiving the outcome of an EAR.

It is important to realise that marks can go up as well as down and we must have the candidate's written permission on a standard form before we embark on any EAR except for coursework re-moderation.

Subject Leaders can request an EAR after negotiation about payment of fees and authorisation has been obtained from Alan Liddell.

Candidates can also request an EAR via the Examinations Office after consultation with Subject Leaders.

All necessary request forms and payment must be submitted before the Examinations Office will process the application via the Awarding Bodies' on-line service.

All EAR requests are dealt with by the Examinations Office.

N.B. Enquiries can only be made to the Awarding Bodies by the centre not by candidates or parents.

The **Access to Scripts (ATS)** service allows candidates who sit GCSE and GCE exams to request that the Awarding Body returns their marked script on payment of a fee (it does not apply to internally assessed components, orals or tapes. For GCE only, candidates can receive a photocopy of scripts if they need to be scrutinised by subject staff with a view to submitting an EAR. Again, each candidate must complete the relevant form giving permission for their script/s to be requested from the Awarding Body but this can only be done once the candidates concerned have received their results. Candidates can request that their scripts are made anonymous before they are used for teaching/learning purposes. The scripts must only be seen by the teachers or the staff at the centre or returned directly to the candidate. If teachers wish to dispose of original scripts they must ensure that it is done in a confidential way and not until after the date specified. Original scripts are not available if an EAR service is required.

In all the above cases there are very strict deadlines. There is no point applying after any of the deadlines.

Deadlines for May/June 2010 Enquiries about Results (EAR) and Access to Scripts (ATS)

COLLECTIVE ACT OF WORSHIP
Week Beginning
5 July 2010

HAPPIEST DAYS OF YOUR LIFE?

During this week our annual Sports Day is held – field events on Monday and track events on Wednesday.

- Think about how sports events benefit you. Discuss in pairs.

The law insists that every child gets some form of education. It even lays down which subjects should be taught in schools.

- Discuss your ideal timetable.
- Write down a perfect timetable to suit you – five lessons for five days.
- Read Mark chapter 4 verses 1-9. This gives a good picture of Jesus as a teacher.
