**LEISURE**

- ***“You have six days in which to do your work, but the seventh day is a day of rest dedicated to me. On that day no one is to work”.***

*(4<sup>th</sup> Commandment, Exodus 20: 9-10)*

Discuss whether you think society needs a publicly expressed day of rest.

- In two's discuss the sorts of things you do in your leisure time.
- Survey your class to find out how many hours of leisure people have in an average week. Then work out individually how many hours a week students spending watching the video or TV.

“In the very near future we are all going to spend more and more time in leisure. Unless young people are taught how to spend their leisure time constructively then the result might well be boredom, frustration and despair”.

*(from an essay by a 16-year-old)*
