COLLECTIVE ACT OF WORSHIP
Week Beginning
5 January 2010

SHARING

“He is not a believer who eats his fill while his neighbour remains hungry by his side”

(Islam Hadith)

How does this apply to the Developed and the Developing world today?

“Whenever you are able do good to people who need help. If you have what your neighbour asks for, don’t say come back later I will give it to you tomorrow.

(Judaism & Christianity – Proverbs 3, 27-28)

This means the same as the proverb **do not put off to tomorrow what you can do today.**

Why is it important to help people today?

Society can be divided into the ‘haves’ and ‘have nots’. What is important is the working together.

Why can working together benefit everybody, even those who already have?
