## ***UNDERSTANDING***

***“You should not judge a person until you have walked a mile in his moccasins”***

**(American Native Indian Proverb)**

Meaning: You should not judge someone until you have tried to understand them.

Do you agree/disagree with this statement? Why?

“We all wish to be understood, we all wish that people could see life as we see it?”

*(Poem: “What do you see Nurses” by Kate)*

What do you think this sentence means for us today?

Think of some things that we might do to help us understand other people better, e.g. communication

“The first step towards enlightenment is right understanding of the World”

*(Words of the Buddha)*

Can you understand the suffering in the world today?

Is it mostly natural or made by Human Beings?

How can an understanding of what causes suffering help us in understanding the world and the people in it?
